

2011

Dear Parents,

Congratulations to all our wonderful "dinosaurs!" It was fun to watch all the children enjoy themselves so much.

Starting this month we will introduce a word family every week. As part of this study we will be making a book every Wednesday. The book will contain simple sentences using the word family of the week. The children will also illustrate the books. Please take some time to read and talk about the books.

In our math program we will work on the numbers 11, 12, and 13.

We're excited about our Book Fair. I hope you and your child will plan to attend.

Patty and Diane
