A registration form is enclosed with this brochure. Additional forms are available in the office.

Tuition for Sessions 1-5 must be paid by May 15th

Tuition for Sessions 6-9 must be paid by June 15th

Children who do not attend their enrolled sessions will forfeit their Registration Fee and ½ of the pre-paid Tuition.

Session 1: June 7 – 11
Over in the Ocean

Dive right into summer as we explore the ocean and its magnificent and strange creatures.

Session 2: June 14 – 18
Simply Science

Science is all around us! Children will exercise critical thinking as we do experiments each day. What do you think will happen? Let's see if we are right!

Session 3: June 21 – 25
Nursery Rhymes

We'll practice our rhyming skills while creating art based on favorite nursery rhymes.

Session 4: June 28 – July 2
Everything Eric Carle

Make the connection between art and literature as we read a selection of this favorite children's author's stories.

Session 5: July 5 – 9
Way Down Under

Take a trip to the outback and explore the animals and culture of Australia, the land "down under."

Session 6: July 12 – 16
Paint Your Heart Out

The title says it all! We will explore texture, color and technique as we paint and paint and paint some more!

Session 7: July 19 – 23
Pirates and Princesses

There's something for everyone in the mythical, magical days gone by, when pirates roamed the seas and princesses ruled their kingdoms.

Session 8: July 26 – 30
The Great Outdoors

There are so many wonders in our own back yard. Let's explore!

Session 9: August 2 - 6
The Wild, Wild West

Have a rootin', tootin', good time as we travel back to the days when cowboys rode the range and a man's best friend was his horse!
